

# ARE YOU IN COMPLIANCE? STATE REQUIREMENT FOR BUSINESSES & MULTIFAMILY DWELLINGS INCLUDING GOVERNMENT OFFICES & SCHOOLS

California Assembly Bill (AB) 341 now requires certain businesses and multifamily dwellings to recycle. This recycling effort targets single-stream recycling where cardboard, paper, bottles and cans are mixed together.

#### **Businesses subject to the law:**

- **Businesses, nonprofits, strip malls, government offices & schools** that generate 4 cubic yards or more of garbage per week.
- **Multifamily complexes** with 5 units or more.

#### **Recycle to save money!**

Save money by reducing your garbage and increasing your recycling. The cost for disposal services is based on your level of garbage service. The more material recycled, the less you pay in disposal.

#### **What you can do:**

- **Enter into a service agreement with your franchised hauler or other commercial recycler** (turn over page to help you get started); and/or
- **Self-haul recyclables** to a drop-off recycling center.

#### **More information:**

**State: CalRecycle** The California Department of Resources Recycling and Recovery (CalRecycle) has the authority to implement AB 341, California's Mandatory Commercial Recycling Law. Visit [www.calrecycle.ca.gov/Recycle/Commercial](http://www.calrecycle.ca.gov/Recycle/Commercial) for more information.

**Local: SCWMA** The Sonoma County Waste Management Agency (SCWMA), formed in 1992, is a joint powers authority of the nine incorporated cities and the County of Sonoma. The SCWMA reports local progress to CalRecycle with regard to outreach and monitoring related to AB 341. Visit [www.recyclenow.org](http://www.recyclenow.org) for more information.

# SERVICE PROVIDERS FOR SINGLE-STREAM RECYCLING

where cardboard, paper, bottles & cans are mixed together

Local jurisdictions have contracts with franchised garbage companies to provide service for collection of garbage, recycling and yard debris for residences and businesses. Note that any hauler can pick up recyclable materials as long as it is free of garbage and no fee is charged. For collection of garbage and other franchised materials, you are required to use the franchised garbage company for your area.

### How to read the chart:

Cart service for single-stream recycling.

Bin service for single-stream recycling.

Debris box/roll-off container service for single-stream recycling.
